

Commercial RO | RO Compact 1, 2, 3

The RO-Compact series has been specifically designed to supply industrial dishwashers with mineral free water.

Designed to supply industrial applications with mineral free water these units are ideal for use with dishwashers, ice cube machines and car washes.

- Digitally controlled system.
- Ever clean rinse and RO membranes.
- Low operational and maintenance costs.

Specifications

Product Name	RO Compact 1	RO Compact 2	RO Compact 3
Width	250 mm	460 mm	460 mm
Depth	550 mm	580 mm	580 mm
Height	760 mm	700 mm	700 mm
Weight	43 kg	56 kg	71 kg
Regeneration			
Capacity	160 l/h	300 l/h	420 l/h
Recovery Rate	40 - 75 %	50 - 75 %	75 %
Rejection Rate	97 - 98 %	97 - 98 %	97 - 98 %
System			
Reservoir	35 litres	66 litres	66 litres
Electrical Connection	230 volt	230 volt	230 volt
Power Consumption	1,1 kW	1,1 kW	1,7 kW
Water Inlet Pressure	1 - 7 bar	1 - 7 bar	1 - 7 bar
Inlet Water Quality Max	1500 ppm	1500 ppm	1500 ppm

Features:

-  Compact Design
-  Reverse Osmosis
-  Quick Connect / Easy Install
-  On Casters / Movable
-  Easy Maintenance

Why RO Compact?

Kineticico Commercial RO systems are effective, efficient and can be installed under a table or a counter.

The systems have a high flow performance and the integrated, fully automatic by-pass ensures continuous operation. Compact and robust, they are easy to install and require minimal maintenance. Plus, the membrane rinse prolongs their lifetime and operation.

With a Kineticico Commercial RO system your other equipment will serve you significantly longer.

Choose Kineticico for the purest water and the highest industry standards.
